Adobe Licensing

Smartdesc is proud to part of the Academia Technology Group - one of Adobe's leading resellers in the UK to the nonprofit sector.

Thanks to the group's buying power, we can beat pricing on Adobe products compared to buying direct, as well as offer advice and support your Adobe license strategy to ensure best value.

Overview

▶ **Adobe Platinum Partner:** Offering best-in-class pricing, support, and Adobe solutions management

▶ **Expert Adobe consultation:** Ensuring you are on the correct licence model & purchasing the most suitable licences

▶ **Seamless transition:** Moving from Adobe Direct to working with Academia

▶ **Multiyear fixed Pricing:** Utilising 3-year commit pricing to protect from Adobe price increases

▶ **Advanced marketplace solutions:** Giving you instant access to additional licences when required

▶ **Workflow integration:** Assistance with Office 365 & Azure AD licence deployments

▶ **Adobe Sign and E-Signature adoption:** Cost saving consultations for your organisation

Benefits

Benefit from the ongoing support of an Adobe Platinum Partner that meets your organisation's evolving needs

Expert guidance to ensure your organisation gets maximum value from Adobe tools and licenses

Lock in predictable pricing with multiyear fixed pricing agreements

Seamlessly integrate Adobe licenses with your existing tools, such as Office 365 and Azure Active Directory

Enhance productivity by incorporating Adobe solutions into your established workflows with minimal disruption
